Sensible walking shoes or boots are essential, as we walk on all types of surfaces, including pasture.

You should also wear appropriate outdoor clothing to suit the weather; remember that it can change very quickly. Remember also that if the weather is very hot and sunny to use sun tan lotion and wear a hat. You should also bring drinking water.

If you need to carry a medical device, such as an asthma inhaler or an epipen, please make sure you have one with you during the walk.

Bring £2 to £3 pounds for tea/coffee. Sometimes its not possible to arrange tea/coffee & biccys, in that case we may have a picnic. We'll send a message around to bring some refreshments and a flask.
